

CURATOR'S REPORT

*by Dr Beatrice Bertram
Senior Curator, York Art Gallery*

Conservation

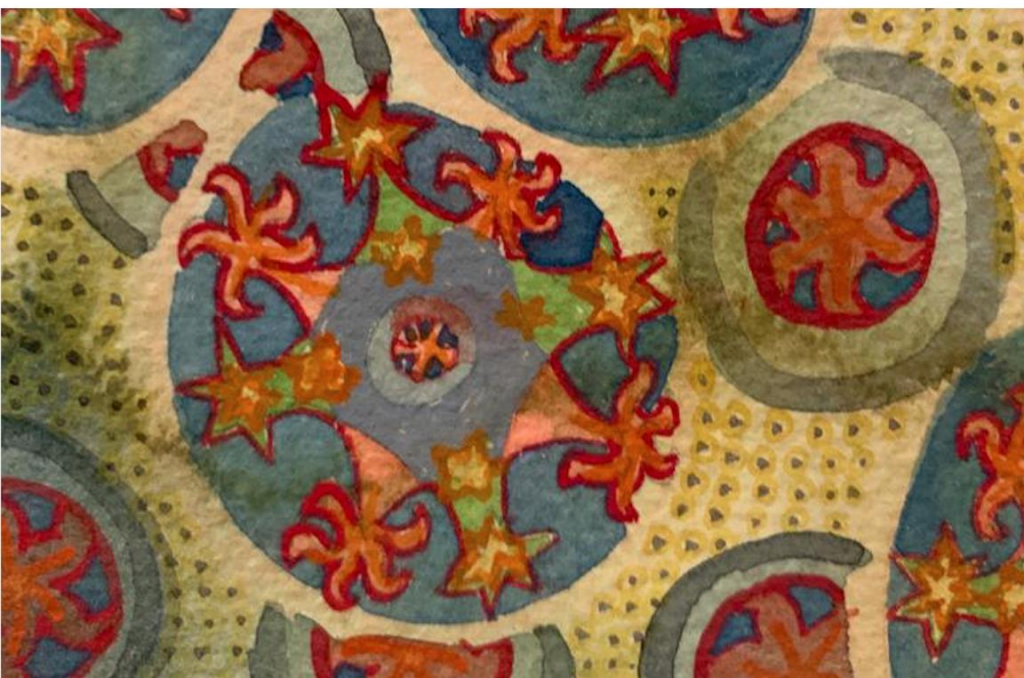

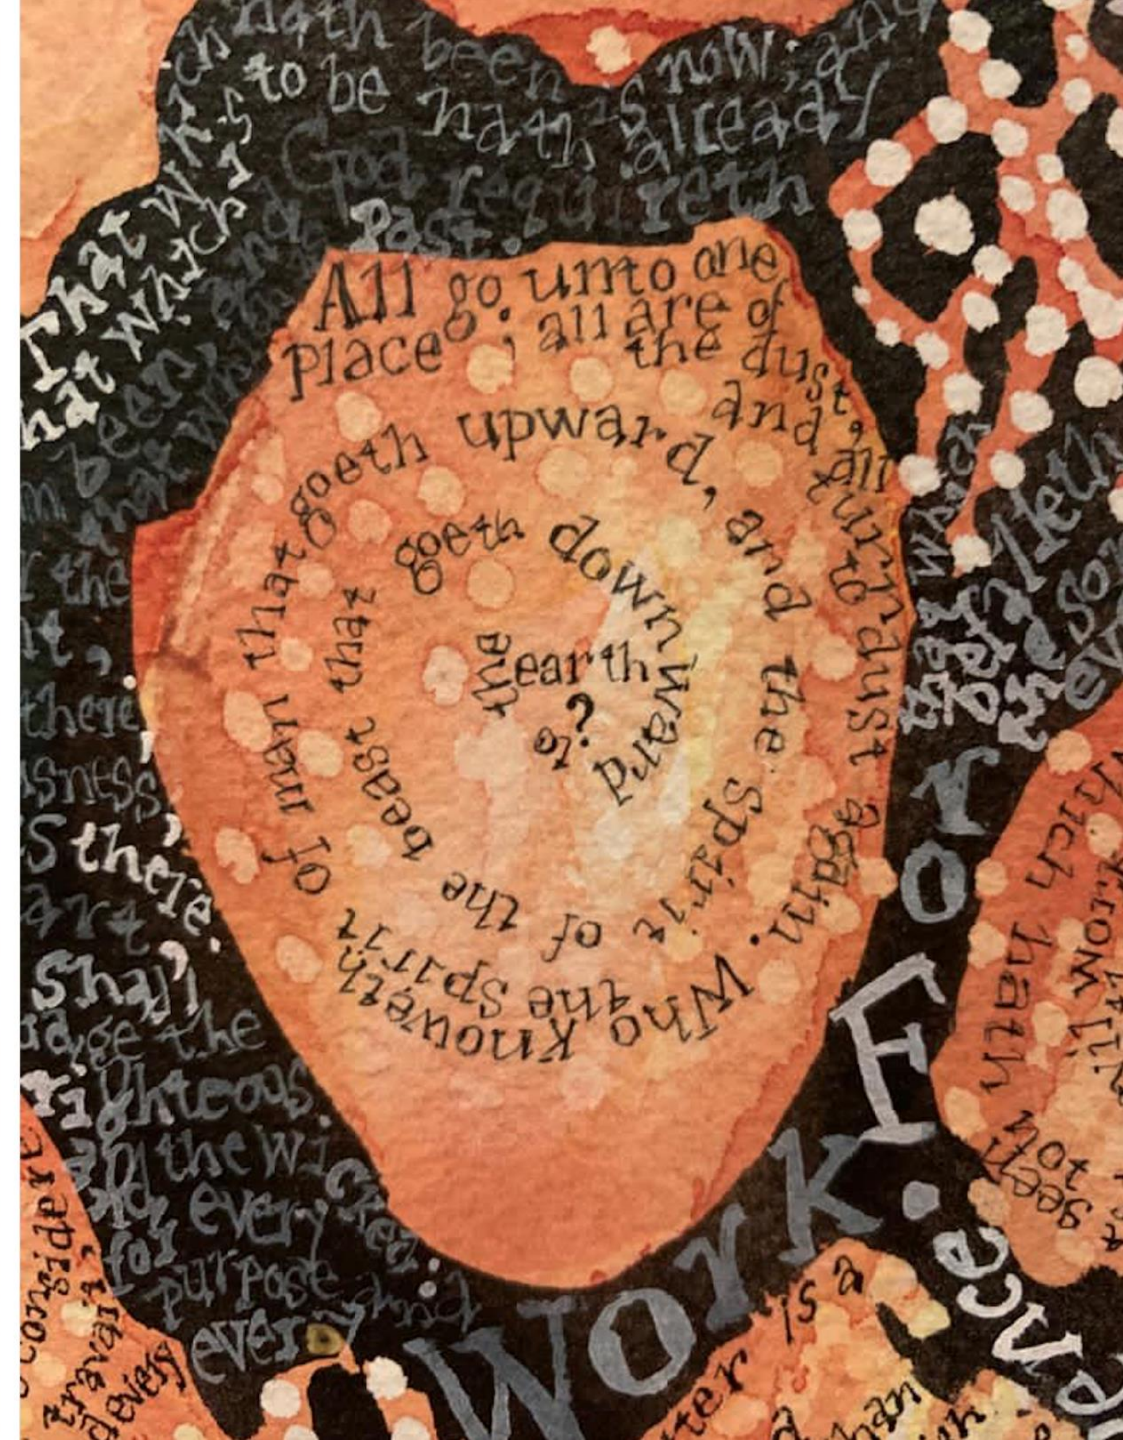

The image features a large, textured green circle that occupies most of the frame. The circle has a rough, hand-painted appearance with some darker green and black speckles along its edges. In the center of the circle, the word "Acquisitions" is written in a clean, white, sans-serif font. The background outside the circle is white, with a few small, dark specks scattered around the perimeter of the green shape.
